April 14, 2006

Dear Friend:

With spring already here, we are now taking orders for our **Fourteenth Annual Rotary Club Spring Plant Sale**. How refreshing to be thinking of plants after this long winter. Please consider ordering from the variety of annuals listed on our attached order form. Our plants are landscaper-grade quality, providing a whole summer of beautiful color.

We are also embarking on our first ever sale of a top coffee from Colombia called **La Vereda**. This coffee was just awarded the 2006 Sustainability Award by the Specialty Coffee Association of America and will arrive just days before the plant sale to ensure freshness. The Sustainability Award recognizes "sustainable development in business, where coffee buying practices promote the future supply of high quality coffee while protecting and improving the environment, and rewarding farmers for sustainable coffee production through quality, economic, environmental, and social responsibility criteria." You can read more about this award at [www.scaa.org](http://www.scaa.org).

**La Vereda** is a rare "single origin" Colombian coffee, with seasonal and limited availability (only 2,500 bags produced each year). It is a "full" shade coffee grown above 5,450ft, washed and sun dried by the 700 families that produce it. This coffee has an intense fragrance and flavor combining exotic floral notes with balanced body and acidity. **La Vereda's** distinctive, fruity, and citric overtones can be tasted in every cup.

This is truly a unique opportunity to enjoy a rare exotic coffee from Colombia. **La Vereda** will be roasted to perfection just 5 days prior to delivery to Darien Rotary. To ensure a maximum coffee drinking experience, **La Vereda** is offered in WHOLE BEAN 1lb bags.

If you do not wish to purchase plants or coffee, we urge you to consider making a donation to our High School scholarship fund anyway. We hope you will assist us in supporting Darien students as they move on to higher education's challenges.

Delivery within Darien is once again free for prepaid orders of \$150 or more, or \$10 for prepaid orders less than \$150. Please initial on the order form if you want delivery. All coffee and plants will be delivered on the morning of Saturday May 13<sup>th</sup>, just in time for Mother's Day.

The deadline for orders is Friday, May 5th. Please mail your order in time for delivery by May 13th.

Thank you for your support.
